Community Events In Rossland

Photo provided by Rossland Chamber of Commerce

Having a generous supply of sunshine this past summer definitely added to the enjoyment of participating in an event like Golden City Days, which is held in Rossland in early September each year. Now, those who are busy preparing for the Rossland Winter Carnival are also hoping for the appropriate weather conditions for their event towards the end of January. The credit union will be on board again to help sponsor the carnival. We are pleased to be able to support these and a number of other successful community events each year. So whether you enjoy watching the belt sander drag races at Golden City Days or a parade in the middle of winter, or some other event... It all helps to build Community - which is where we want to be!

We're Looking For Your Ideas for Stage 3 of our Community Project

Nelson & District Credit Union has placed two monuments in the city of Nelson and is now in the process of commissioning a third historical marker. We worked closely with city officials, as well as artist John McKinnon, to get the previous two projects designed, constructed and positioned.

Since the monuments relate to some important aspect of the city's history, Doug Stoddart, General Manager of the credit union, insists that getting public input has been a key part of the process. Once again, the credit union is turning to you for your ideas. What particular moment in Nelson's history would you like to see captured on the next monument? Be sure to send along your thoughts before January 15, 2004 in one of the following formats:

mail: **Nelson & District Credit Union**
PO Box 350
Nelson, B.C. V1L 5R2

Or fax to: 250-352-9663

Or email to: nelsonbranch@nelsoncu.com

If it is your idea that the committee selects for our next monument, then as part of our ongoing commitment to the community, we will be sending a cheque for \$500 to the charity or non-profit community group of your choice!
