

Nelson & District

CREDIT UNION  *Logically. Locally.*

October 1, 2009

Dear Member

Nelson & District Credit Union is a strong supporter of local initiatives. Since 2000, our Community Investment Program has played an important role in supporting hundreds of worthwhile causes. Recently, Nelson & District Credit Union's support locally reached its first \$2,000,000 in community giving!

A celebration of this milestone was held at each of our Community Branch locations and I hope you were able to enjoy the festivities.

I would like to take this opportunity to thank you, our valued member, for making this community support possible. Your commitment to Nelson & District Credit Union through deposits, loans, investments with our Wealth Management Division of Allard Insurance Agencies Ltd and insurance products with Kootenay Insurance Services Ltd, ensures that your financial co-operative remains vibrant and sustainable.

Investing in our local communities is based on practical economic theory: every dollar that remains in our communities has a multiplier effect. By borrowing and investing with your community Credit Union, we can continue to actively support our local economies. Keeping interest dollars local makes sense. *Logically. Locally.*

From community comes strength.

Sincerely

Doug Stoddart, CEO
