

PRESS RELEASE – LeRoi Community Foundation to Receive Celebratory Boost Tied to Mortgages at Nelson & District Credit Union!

June 14, 2010

The LeRoi Community Foundation is pleased to announce the financial support of Nelson & District Credit Union (NDCU) in the form of \$2000 to the foundation for each new mortgage written in their Rossland Community Branch until November 16, 2010.

“In recognition of the Credit Union’s 60th Anniversary, NDCU is pleased to contribute to an initiative that will benefit our membership and our community at large,” stated Mark Martin, Nelson & District Credit Union Board Member.

“The success of our Foundation is based on the strong support of our local community members and organizations,” shares Adam Monteith, LeRoi Foundation Chair. “Nelson & District Credit Union continues to be a local organization focused on the needs of the community and we are very thankful for this opportunity to partner with them to continue the spirit of community giving that Credit Unions are known for.” The donation will sit in a Rossland fund administrated by the LeRoi Community Foundation.

Martin continues. “The delicate balance between helping our communities and ensuring financial viability for our Credit Union is not taken lightly. After much discussion, we are proud to announce that we’re able to contribute to such a worthwhile fund.”

“For every transferred mortgage brought to Nelson & District Credit Union, until November 16th, 2010, we will contribute \$2,000 to the Foundation through our 100 Mile Mortgage campaign.” Brian Poch, Branch Manager for the Rossland Community Branch of Nelson & District Credit Union and LeRoi Director adds, “We hope that with help from local people seeking mortgages, we’ll be able to make a significant contribution! By bringing your mortgage to us, you’ll strengthen your local community Credit Union and help grow this worthwhile fund.”

The “The Nelson & District Credit Union Rossland Fund”, which currently sits at over \$30,000 is designated to support the community and interest proceeds are dispersed annually to Rossland-based, not-for-profit organizations.

The LeRoi Community Foundation is a non-profit organization dedicated to the betterment of the Greater Trail area through a network of donors and co-operations. Their goal is to support charitable endeavours through funds donated and held in perpetuity. Founded in 2005, the Foundation has grown quickly from the original \$10,000 donation to over \$450,000.
