2018 ad

Most should be familiar with the saying “credit unions are helping here,” which is what NDCU was able to do through the “Good Strings Attached” investment campaign! Any investments of \$10,000 or more received during the specified time frame generated a donation from the Credit Union to a community group of the member’s choice!

Good Strings Attached\*\* was designed to celebrate community and co-operation. As the ad (above) from the campaign illustrates, NDCU donated \$500 to the local organization that the qualifying investor identified. Below is the list of groups that benefitted from this campaign.
