## Employment Opportunity

**Nelson & District Credit Union** is a respected, vibrant and community-minded organization with 50+ employees serving over 9,500 members at three community branch locations.

Our organization has a reputation for enriching lives and creating a culture of innovation and excellence while being committed to staying on the leading edge of banking products and financial services with a solid commitment to community.

Currently, the **East Shore community branch** has an entry level employment opportunity for someone willing to work on a casual basis. Candidates will have exceptional communication skills and enjoy meeting and serving our members. If you would like to begin a rewarding new career or expand on past career experience in the financial services industry, **please direct inquiries to:**
